

Holy Spirit what specific contribution/s does He want you to make so we can collectively achieve what has been set before us. It will be our joy to hear from you.

Brothers and sisters, we are very much aware of how much you love our God as shown in your work and support to what the community is doing. We praise God for each of you and we thank you for showing your love to Him by serving His people. And yet, most of us are not free from the burdens of life. All of us still experience problems and difficulties which might lead us to ask, "Is it worthwhile to continue living in and supporting a community like LOJC?" Should this question cross your mind, the letter to the Hebrews gives us an encouraging and assuring answer: God is not unjust; He will not forget the work you did and the love you showed for Him by helping His people. And He will remember that you are still helping them. We want each of you to go on with the same hard work all your lives so **you will surely get what you hope for.** (Heb 6:10-11).

The God of power and of might, the God of all creation has spoken and has given us His promise. We know He will never fail us. May we also not fail Him!

Questions for Personal Reflection

1. What can I say about these 2011 plans and budgets? Write your comments and thoughts and place them in the love offering box.
2. Pray and reflect on what specific ways the Lord is leading you to do for Him through our community. It could be He's asking you to step up into a headship role, a deeper and more active involvement in a ministry, a more regular financial offering or all of them. Write these leadings down and together we will offer them to the Lord in the next Feast on Feb 5, 2011.

WE WILL GROW IN 2011

"And when he (Jesus) came out of the water, he saw heaven being torn open and the Spirit descending on Him like a dove. And a voice came from heaven: 'You are my Son, whom I love; with you I am well pleased.' At once the Spirit sent him out into the wilderness." (Mk 1:10-12)

This passage shows us that Jesus did nothing on His own. The Father, Son, and Holy Spirit have always worked together, not just because they are one God, but because God's very nature is community – an interactive community. Since He created us in His image, He likewise designed us for community life. He uses community for the implementation of His plans.

2010 saw the Light of Jesus moved from the chapter-based local Feasts to the Live Feasts with the inauguration of the Feast in St. Roch and the Feast in the West. Here in the West, after filling up our leadership needs with the Lord's anointed, we launched our Feast twice, a soft launch in January and once we felt comfortable with its format, we had a grand launch in October opening it to peoples of all cultures, colors and countries. We reached out to our community members in Cambridge, Guelph, Burlington, Milton and West Mississauga whose constant support have always been our inspiration and invited our families, friends, neighbours and co-workers to try and attend our Feasts. For the year, we welcomed close to 50 new people. We introduced them to a relationship with Jesus. Most of them stayed, having embraced their new found relationships and are now members of a Caring Group.

Financially, here's a quick update on the year end support the Lord blessed us with brothers and sisters who selflessly shared their treasures so the work for which the community has been called will continue to be done: We received a total of \$40,186 in tithes, love offerings and donation. This amount includes \$8,175 for our music and other equipment and \$1,516 for our dream community center. Our Feast incurred \$25,456 in direct operating expense and an additional \$8,428 as our share in the Central Finance expenses. We bought music and other equipment totalling \$6,552. The bottom line is we ended the year being only **\$250** in the red as against budget of **-\$31,970**.

While in 2010 The Feast in the West witnessed firsthand the Lord's faithfulness and provisions through you, our brothers and sisters, in terms of sharing your talents, time and treasures, we believe that in 2011 we will receive more of these. With God's grace, we will continue with what we have initiated and build on our gains to make our Feast, our Community, spread the light of Christ to more of our friends, relatives, neighbours, co-workers even strangers who are looking for their life's meaning and purpose.
